CRIME STOPPER TIP APRIL 2022

MAILBOX

THEFT PREVENTION

WHAT IS IT?

• Mail theft is a problem vexing every neighborhood with Residential Mailboxes and many times, homeowners aren't even aware it is occurring. Sadly, mail theft is a crime that is difficult to detect and the theft of personal checks from residential mailboxes across the United States has become a serious problem.

THEFT PREVENTION TIPS:

- Purchase a secured mailbox
- Get PO boxes
- Camera on entrance
- Street lights to eliminate darkness
- Pick up your mail regularly: never leave your mail in the mailbox overnight.
- Do not send cash and personal information through the mail
- **Walk your mail into the Post Office's interior mailbox(s)**

Remember that if you don't pick your mail up, someone will do it for you.

If you have any questions, contact Lt. Kelly 6108531298 X1220
