

Monday Brush Collection to Resume June 8th

Please hold your brush until June 8th or, if you cannot hold the materials, you may dispose of them with your regular trash for the time being.

Beginning Monday, June 8, 2020, you may place your brush loosely in a garbage can or other container. No need for bags or twine.

Acceptable Materials:

The Township's brush site can accept only untreated wood products such as sticks, branches, brush, and wood chips. Branches must be less than 1 ½ inches in diameter and less than three feet long.

Unacceptable Materials:

No litter, trash, garbage

No dirt

No soil

No leaves

No grass clippings

No kitty litter or pet manure

No bags, not even biodegradable bags

No twine

No container in excess of 40 lbs.

No branches over three feet in length

No branches over 1 ½ inches in diameter
